

Say NO to Lam's Traffic Jam

The City of Tualatin is reviewing a proposal to dump more traffic onto Tualatin Road and 115th Avenue.

1400+ more cars

- More Crashes
- Longer Waits
- Traffic Jams
- More Air Pollution
- More Noise

The City needs your input!

Sample email is already written.
It takes 3 clicks to say **NO!**
Just **Load** and **Send!**

LOAD and SEND!

What's the solution?

Leveton Drive on the south side of Lam's campus. Built with heavy-duty concrete, Leveton has plenty of capacity. Lam is currently using Leveton, but they are trying to delete their main Leveton driveway. We are asking the City:

- Keep the Leveton driveway
- NO new access on Tualatin Road

Can I really make a difference?

Yes! We can win on the merits, and if the neighborhood speaks out, we can win on the numbers.

What can I do to help?

- Send comments to planning@tualatin.gov
- Attend the upcoming hearings

Tualatin Planning Commission Hearing Architectural Review Board Hearing

Lam has requested a delay in the hearing schedule. Hearings are **POSTPONED**. New hearing dates have not been announced.
